

Details Finnish Folklore

Satu Apo, Aili Nenola, Laura Stark-Arola

Finnish Folklore Leea Virtanen, Thomas Andrew DuBois, 2000 This book presents an overview of Finnish folklore from the nineteenth century to the present. The Nordic country of Finland has been influenced by both east and west and serves as an excellent showcase of European folklore in general. Guided by Finnish Folklore, readers will learn how folklore has been collected and researched in Finland, what regional distinctions exist in the country's traditions, and how traditions have changed in the process of modernization. An extensive anthology section features ancient alliterative poetry, such as formed the basis of the Finnish national epic Kalevala. The book contains translated examples of rhymed folk songs, folktales, legends, and other narratives, proverbs, riddles, jokes, and contemporary genres like children's folklore, urban legends, and anecdotes. Tradition continues to live on in communications from person to person, sometimes travelling thousands of miles and over many national borders in the process. The same item of folklore may acquire new meanings in new contexts. What is the linking thread of tradition? Humour, sexuality, fear, or laughter? Is it our eternal longing for happiness or just the endless need of human beings to pass the time with each other?

Gender and Folklore Satu Apo, Aili Nenola, Laura Stark-Arola, 1998 The purpose of this collection of articles is to map out the gender ideologies found in Finnish folklore and to raise questions about the processes behind their production, interpretation and transformation. Several authors in this study examine the ways in which, through cultural forms of expression and representation, gender has been used in Finland and in Karelia to symbolically organise such categories as the human body, human environment, 'inside' versus 'outside', and 'this world' versus 'other world'.

Finnish Folklore ,1968*

Finnish Folk Culture Ilmar Talve, 1997 This is the first comprehensive account in English of Finland's material folk culture, habits and folklore. It contains a wealth of photographs and maps and provides a good insight into Finnish folk culture against the general cultural trends in Europe. The subject is made all the more interesting by the fact that Finland has for centuries been a melting pot for cultural influences from both East and West. Finnish Folk Culture is a handbook both for students and for anyone interested in folk tradition and its history. It contains an index and a bibliography of works in English and German.

Finnish-American Folklore Elli-Kaija Kōngäs-Maranda, 1980

Kalevala Mythology, Revised Edition Juha Y. Pentikainen, 1999-09-22 It was the Kalevala that initiated the process leading to the foundation of Finnish identity during the nineteenth century and was, therefore, one of the crucial factors in the formation of Finland as a new nation in the twentieth century.

An Anthology of Finnish Folktales Pirkko-Liisa Rausmaa, 2013 Storytelling as a living tradition has been preserved longer in Finland than in many other countries, because of its relative geographical isolation compared to other countries that more readily came into contact with other civilizations which destroyed local oral traditions. As in other countries, skilled storytellers were often representatives of the itinerant trades, such as cobblers, tailors, lumberjacks, peddlers, and beggars. Now available in paperback, this anthology of Finnish folktales is an excellent introduction to a rich oral tradition for both the general reader and for students of folklore. The book also includes a number of popular Finnish jokes and anecdotes. [Please note: This collection was previously published in hardback as *The Maiden Who Rose from the Sea and Other Finnish Folktales* by Hisarlik Press in 1992.]

The Kalevala ,1888

An Illustrated Kalevala Kirsti Mäkinen,2020-08-25 Discover mighty eagles and mythical heroes in this beautifully illustrated prose retelling of Finland's classic epic

Kalevala ,1891

Studies in Finnic Folklore Felix J. Oinas,1985

The Kalevala Lönnrot,2016-08-25 Compiled by the various sources of Finland's national mythology, the Kalevala outlines the creation myths of the world and typical stories of heroes of old including romance, lust and conquest. The stories that are told here are a national icon for the people of Finland, which makes this volume an important part of human history.

Finnish Folk Poetry and the Kalevala Thomas A. DuBois,2022-02-14 Since its initial publication in the early nineteenth century, Elias Lönnrot's Finnish epic Kalevala has attracted international interest and scholarship. However, the author comments that the distorting lenses of translation, cultural difference and historical distance, have rendered the work a cryptic and often misinterpreted text outside of its country of origin. Even within Finland, scholars have found it difficult at times to judge the relation of the Kalevala to its oral sources. Lönnrot's meticulous notes and discussions of intent and accomplishment make clear what he changed and how he went about it, but give us less inkling of why. This study's view is that the key to understanding Lönnrot's changes lies in Romantic aesthetics and in the intellectual and socio-political agendas which they encode. Lönnrot created a Romantic epic out of Baltic-Finnic folk poetry, an epic complete with the narrative, generic, gendered and political characteristics of literary epics in nineteenth century' Europe.

Finnish Mythology: Tree Stories Niina Niskanen, 2023-09-27 A long time ago Finns, Finno-Ugric tribes and Baltic tribes practised animistic nature-based belief, where everything in nature had its own place and spirit. Trees were widely worshipped. Some trees, holier than others were called spirit trees. In this book, you will learn about ancient tree worship and mythologies and stories told about different tree species and gods, goddesses and magical creatures related to them. How these trees were used in folk magic and how people saw them. Sacred groves were very common. These special places were thought to harbour gods and goddesses, so they were also worshipped and given sacrificial gifts of food, drink and treasures. Altars were built in these groves for the purpose of worship. An altar was usually a large stone or a wooden table holding a statue or an image of a particular deity. Sacred groves were communally owned by an entire village and were generally located in the woods near the village. People could visit a grove alone or in groups to show reverence to the gods. It was believed that trees understood humans, especially women. People told their troubles to trees and felt certain that the trees kept their secrets. In the old days, people relied more on the forest than they do today. The entire forest ecosystem offered almost all of the materials needed for life: shelter and abundant food like berries, plants, mushrooms and animals. Learn about the Christmas tree tradition and how it arrived in Finland and the tree emuu's, these were spirits that created the different tree species. Niina Pekantytär aka Fairychamber is known for her passion and knowledge of Finnish mythology and folklore. Born in northern Finland, Niina grew up listening to these stories from a very young age.

The Kalevala, the Epic Poem of Finland Into English ,1888

Folklore and Nationalism in Modern Finland William Albert Wilson, 1976

Ilmatar's Inspirations Tina K. Ramnarine, 2021-02-13 Ilmatar gave birth to the bard who sang the

Finnish landscape into being in the Kalevala (the Finnish national epic). In *Ilmatar's Inspirations*, Tina K. Ramnarine explores creative processes and the critical role that music has played in Finnish nationalism by focusing on Finnish new folk music in the shifting spaces between the national imagination and the global marketplace. Through extensive interviews and observations of performances, Ramnarine reveals how new folk musicians think and talk about past and present folk music practices, the role of folk music in the representation of national identity, and the interactions of Finnish folk musicians with performers from around the globe. She focuses especially on two internationally successful groups—JPP, a group that plays fiddle dance music, and Värttinä, an ensemble that highlights women's vocal traditions. Analyzing the multilayered processes—musical, institutional, political, and commercial—that have shaped and are shaped by new folk music in Finland, Ramnarine gives us an entirely new understanding of the connections between music, place, and identity.

Kalevipoeg Studies Cornelius Hasselblatt, 2018-03-13 This is the first English-language monograph on the poem *Kalevipoeg* (1857-1861), composed by Friedrich Reinhold Kreutzwald (1803-1882). The poem is over 19,000 lines long, and is known today as the Estonian national epic. The epic was not a success story from the beginning, however. It took at least one generation before the text was received by the emerging Estonian intellectual class. In the meantime, immediately after the release of the bilingual Estonian-German edition, the text was received abroad more intensively than at home. In the twentieth and twenty-first centuries it is the most prolific text within Estonian literature, leaving its traces everywhere in Estonian literature and everyday life. The book includes a summary of the contents of the twenty tales of the epic and a comprehensive bibliography.

The Narrative World of Finnish Fairy Tales Satu Apo,1995

Detail~gsFinnish Folklore Introduction

In the digital age, access to information has become easier than ever before. The ability to download Detail~gsFinnish Folklore has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Detail~gsFinnish Folklore has opened up a world of possibilities. Downloading Detail~gsFinnish Folklore provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of

downloading Detail~gsFinnish Folklore has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Detail~gsFinnish Folklore. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to

be cautious while downloading Detail~gsFinnish Folklore. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Detail~gsFinnish Folklore, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Detail~gsFinnish Folklore has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility

it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Detail~gsFinnish Folklore Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer

high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
