Tiddas Anita Heiss, 2014-03-01 A story about what it means to be a friend ... Five women, best friends for decades, meet once a month to talk about books ... and life, love and the jagged bits in between. Dissecting each other's lives seems the most natural thing in the world - and honesty, no matter how brutal, is something they treasure. Best friends tell each other everything, don't they? But each woman harbours a complex secret and one weekend, without warning, everything comes unstuck. Izzy, soon to be the first Black woman with her own television show, has to make a decision that will change everything. Veronica, recently divorced and dedicated to raising the best sons in the world, has forgotten who she is. Xanthe, desperate for a baby, can think of nothing else, even at the expense of her marriage. Nadine, so successful at writing other people's stories, is determined to blot out her own. Ellen, footloose by choice, begins to question all that she's fought for. When their circle begins to fracture and the old childhood ways don't work anymore, is their sense of sisterhood enough to keep it intact? How well do these tiddas really know each other? Praise for *Tiddas* 'Generous and witty' Susan Johnson 'This enjoyable and human story is impressively interwoven with historical and contemporary Aboriginal issues.' Sun Herald 'A celebration of female friendships' Sunday Territorian 'Will resonate with many readers ... a novel that asks whether a strong sense of sisterhood is enough to keep friends together.' Day of the Dogs Andrew Cartmel, 2005-07-14 Every Dog has his day... Asdoel Zo hires Johnny Alpha and his Strontium Dogs to

collect the bounty on Preacher Tarkettle, the man who killed his family. However, after landing on the desert world of Santo Segrelle, Johnny's team is attacked and their weapons destroyed. The meanest, darkest edge of the galaxy is brought into grisly focus in this ultra-violent tale of heroism and treachery on the frontier.

The Coalwood Way Homer Hickam, 2007-12-18 It's fall, 1959, and Homer Sonny Hickam and his fellow Rocket Boys are in their senior year at Big Creek High, launching handbuilt rockets that soar thousands of feet into the West Virginia sky. But in a season traditionally marked by celebrations of the spirit, Coalwood finds itself at a painful crossroads. The strains can be felt within the Hickam home, where a beleaguered HomerSr. is resorting to a daring but risky plan to keep the mine alive, and his wife Elsie is feeling increasingly isolated from both her family and the townspeople. And Sonny, despite a blossoming relationship with a local girl whose dreams are as big as his, finds his own mood repeatedly darkened by an unexplainable sadness. Eager to rally the town's spirits and make her son's final holiday season at home a memorable one, Elsie enlists Sonny and the Rocket Boys' aid in making the Coalwood Christmas Pageant the best ever. But trouble at the mine and the arrival of a beautiful young outsider threaten to tear the community apart when it most needs to come together. And when disaster strikes at home, and Elsie's beloved pet squirrel escapes under his watch, Sonny realizes that helping his town and redeeming himself in his mother's eyes may be a bigger-and more rewarding-challenge than he has ever faced. The result is pure storytelling magic- a tale of small-town parades and big-hearted preachers, the timeless love of families and unforgettable adventures of boyhood friends-that could only come from the man who brought the world Rocket Boys

The Girl from Nongrim Hills Ankush Saikia, 2013-10-15 Bok, a guitar player with a Shillong band, has a lot on his mind. His elder brother Kitdor has lost 50 lakh rupees on a trip to Nagaland to purchase arms for a group of militants. Kitdor is given a week to repay the money, and the only person he can turn to is his laidback younger brother. Bok is helpless until a chance encounter with a beautiful woman provides him with a desperate solution. But fate can't be cheated and soon the hapless musician is tangled in her web of lies. He must outmanoeuvre her and the trail of politicians, militants and cops she leaves in her wake, and find the 50 lakh in time if he is to save his brother. Dark, atmospheric and utterly gripping, *The Girl from Nongrim Hills* is a superb thriller and a great Shillong novel.

City of the Mind Penelope Lively, 2007-12-01 A "well crafted . . . fascinating" story of a London architect's struggle for identity in love and career (Time Out). This is the city in which everything is simultaneous. There is no yesterday, nor tomorrow, merely weather, and decay, and construction. In London's changing heartland, architect Matthew Halland can't help but contemplate how the past and the present blend. It stirs memories of his boyhood, the early years with his daughter, and the failed marriage he has not yet put behind him. Here, too, is the London of prehistory, of Georgian elegance, of the Blitz. But at the same time, Matthew must keep focused on the constructing of a new future for London—his latest project in Docklands—and with it he begins to forge new beginnings of his own. *City of the Mind* is the "lucid and complex, meditative and playful, concise and expansive" second novel from the Man Booker Prize-winning author (The Washington Post Book World).

Sigmund Freud Helen W. Puner, 2020-02-13 Freud's development of psychoanalysis is one of the great fault lines of twentieth-century cultural history. The field as such provides one of the great professional dramas of our time: a classic struggle between a new, vital idea and the ignorance, prejudice and

refusal that so often attend major breakthroughs and innovations. Helen Puner's biography is far more than a professional appreciation. It is the story of a complex, by no means flawless individual, whose personal characteristics helped sow the seeds of controversy as well as ultimately establish a new field. Upon its initial appearance, the Herald Tribune identified the book as the first authoritative and profoundly perceptive biography of the man who more than any other has shaped the thinking of the Western World. It was summarized as a brilliant performance, done without fear. Puner did precisely what irritated Freud most: probe the sources, social no less than personal, religious no less than scientific, that made Freud such a towering figure. Dorothy Canfield caught the spirit of this work when she noted that in this book, we see Freud as we never saw him before, as most of us never knew he was, a rigidly virtuous, deeply troubled, upright, dutiful Jewish son, husband and father. We see him tracing the significance of clues he hit upon in the practice of medicine, and then fit these clues into the bewildering mastery of human behavior. In his Foreword, Erich Fromm indicates that Puner looks at Freud with genuine admiration, but without idolatry. She understands his own psychological problems and has a full appreciation of the pseudo-religious nature of the movement which he created. And the late Ernest Becker, in *The Denial of Death*, seconded this estimate by calling the Helen Walker Puner effort a brilliant critical biography. This new edition contains a new introduction by Paul Roazen; with this, and the appreciation of the author by her husband, Samuel Puner, we can better locate the author of the book as well as the famous object of her analysis.

Machiavelli for Moral People Pavan Choudary, Machiavelli is the Father of Realpolitik. A politician and a writer, he wrote his masterpieces *The Prince* and *Discourses on Livy* in 16th Century AD. These writings, banned till early 18th century for their controversial and devious content, are now considered the Bible

of Realpolitik. Pavan Choudary explores how, Machiavelli - reviled down the years for promoting deviousness - has actually made an invaluable contribution in enhancing our understanding of evil. This understanding can help the principled person win.

So Many Ways to Begin Jon McGregor, 2008-12-27 In this potent examination of family and memory, Jon McGregor charts one man's voyage of self-discovery. Like Kazuo Ishiguro's *The Remains of the Day*, *So Many Ways to Begin* is rich in the intimate details that shape a life, the subtle strain that defines human relationships, and the personal history that forms identity. David Carter, the novel's protagonist, takes a keen interest in history as a boy. Encouraged by his doting Aunt Julia, he begins collecting the things that tell his story: a birth certificate, school report cards, annotated cinema and train tickets. After finishing school, he finds the perfect job for his lifetime obsession—curator at a local history museum. His professional and romantic lives take shape as his beloved aunt and mentor's unravels. Lost in a fog of senility, Julia lets slip that David had been adopted. Over the course of the next decades, as David and his wife Eleanor live out their lives—struggling through early marriage, professional disappointments, the birth of their daughter, Eleanor's depression, and an affair that ends badly—David attempts to physically piece together his past, finding meaning and connection where he least expects it.

The Alleys of Eden Robert Olen Butler, 1993 Clifford Wilkes, a deserter, and Lanh, a former prostitute, are among the last to escape Saigon and attempt to start a new life together in the United States

lost in language & sound Ntozake Shange, 2011-12-06 A vibrant and vital collection that celebrates the three most important muses in the life and work of Ntozake Shange—language, music, and dance. In this deeply personal book, the celebrated writer reflects on what it means to be an artist, a woman, and a woman of color through a beautiful

combination of memoir and essay. She describes where her love for creative forces began--in her childhood home, a place where imagination reigned and boredom wasn't allowed. The essays tell stories ranging from the poignant origin of her celebrated play for colored girls to why Shange needed to deconstruct the English language to make that production work, from the intensity of the female experience and the black experience as separate entities to the difficulty of living both lives simultaneously; from the intense love of jazz bestowed on her by her father to a similar obsession with dance, which came from her mother. With deep sincerity, attention, and her legendary candor, Shange's collection progresses from the public arena to the private, gathering along the way the passions and insights of an author who writes with "such exquisite care and beauty that anybody can relate to her message" (Clive Barnes, *The New York Times*).

Call Me when the Cross Turns Over D'Arcy Niland, 1979

Cage on the Sea Kaoru Ohno, 2017-06-13 In late 1944, three Japanese military supply ships near the tiny South Pacific island of Anatahan came under American air attack. The ships were sunk and their crews left stranded on the island. The survivors-ignorant that the war was long over-were forgotten until 1950, when the Americans began making serious rescue attempts. In the 1950s, the story of the Anatahan holdouts became the basis for multiple films, books, and lurid yellow journalism. Why? Because the Anatahan story contains an intriguing twist in the form of a lone woman-Kazuko Higa-among the dozens of military survivors. Inspiring rivalries, fights, and even murder, it was her presence that made the holdouts reluctant to go home. *Cage on the Sea* is a novel based on painstaking research by author Kaoru Ohno, a journalist and nonfiction author. It goes well beyond stereotypes to explore the psychology of both victors and the vanquished. *Kirkus Reviews* calls *Cage on the Sea* a crisp translation and an appealing historical novel of World War II

Eternity Michael Hanlon, 2009 It has become received wisdom

that our world is doomed, that we live in the End of Days. Bleak predictions by psychics and scientists alike portend extreme weather, droughts, famines and floods that will overtake humanity within the century, or sooner. If not global warming, then supervolcanoes, meteoric impacts, nuclear war, bioterrorism, or natural plagues will get us. But whatever happens, Michael Hanlon believes that humankind will go on...and on. The shape of things to come will be strange, and somewhat terrifying, but will very likely seem banal to the people who inhabit it in the future. Humankind may be thrown back to the Stone Age on hundreds of occasions and may come close to extinction. But recovery will follow--each time more rapidly than the last. The world of 10,000 years hence, let alone 100,000,000 years hence, will be strange and almost unrecognizable. But no matter how battered and re-born, it will still be our world, populated by us through eternity.

Baruch My Own Story Bernard Baruch, 2015-11-19 Bernard M. Baruch - one of the most remarkable men of our time - was an office boy at nineteen, a Wall Street partner at twenty-five, and a millionaire before he was thirty-five. For some men this success would mark the climax of a career; for Baruch it was only the beginning of a still greater one. In the fifty years since he made his first fortune, Bernard Baruch has been a trusted counselor of Presidents, an adviser on social and economic reforms, a statesman who has worked with two political parties and won the respect of both. In this, the first volume of his memoirs, Mr. Baruch analyzes his personal philosophy and shows how it helped him solve the many problems that confronted him in his public life as chairman of the War Industries Board during World War I and as United States representative on the United Nations Atomic Energy Commission. Informal yet penetrating, intimate yet never losing sight of major events and issues, **BARUCH: My Own Story** is infused with the remarkable personality of a truly distinguished

American.

The Sweet Breath of Life Frank Stewart, 2010-11-01 Words and images come together in a collaboration between celebrated poet Ntozake Shange and an acclaimed group of photographers, to result in this stunning celebration of contemporary Black life in America. From the first publication of *The Sweet Flypaper of Life* by Langston Hughes and Roy DeCarava in 1967, to *Crowns: Portraits of Black Women in Church Hats*, collaborations between writers and photographers have been important in African American culture. These books examine the issues of identity and representation that have been so central to this group's efforts to thrive. The Kamoinge Workshop photographers who contributed their work to this inspiring collection consist of names that have appeared in *The New York Times*, *National Geographic*, the Museum of Modern Art (MOMA), and more. Names such as Anthony Barboza, Adger W. Cowans, Ming Smith Murray, Beuford Smith, John Pinderhughes, and many others. The Workshop's mission was a response from the bias portrayals of African Americans in the media. They sought to shed positive light on their subjects, as well as to demystify Black life in America. And *The Sweet Breath of Life* does exactly that.

The Floodgate Elaine Cunningham, 2001 As the peaceful and orderly society of Halruaa descends into chaos, Matteo sets out on a dangerous quest to seek out the dark forces threatening the land, unaware that the embittered magehound Kiva has embarked on a deadly alliance in order to seek revenge on Matteo, in the sequel to *The Magehound*.
