Personal History Katharine Graham,2011-02-09 #1 NATIONAL BESTSELLER • PULITZER PRIZE WINNER • The captivating inside story of the woman who helmed the Washington Post during

one of the most turbulent periods in the history of American media: the scandals of the Pentagon Papers and Watergate In this widely acclaimed memoir (Riveting, moving...a wonderful book The New York Times Book Review), Katharine Graham tells her story—one that is extraordinary both for the events it encompasses and for the courage, candor, and dignity of its telling. Here is the awkward child who grew up amid material wealth and emotional isolation; the young bride who watched her brilliant, charismatic husband—a confidant to John F. Kennedy and Lyndon Johnson—plunge into the mental illness that would culminate in his suicide. And here is the widow who shook off her grief and insecurity to take on a president and a pressman's union as she entered the profane boys' club of the newspaper business. As timely now as ever, *Personal History* is an exemplary record of our history and of the woman who played such a shaping role within them, discovering her own strength and sense of self as she confronted—and mastered—the personal and professional crises of her fascinating life.

Mama Doc Medicine Wendy Sue Swanson, 2014 Presents evidence-based advice on raising children, enhancing a collection of the author's blog posts with statistics, charts, and summaries to discuss four themes--prevention, social-emotional support, immunizations, and work-life balance.--

Grooming Manual for the Dog and Cat Sue Dallas, Diana North, Joanne Angus, 2013-05-06 One of the responsibilities of every dog or cat owner is that of coat care. There are many and varied coat types and there is a vast difference between the time it takes to groom a Doberman and an Old English Sheepdog, a Siamese and a Persian cat. This book provides much needed guidance for groomers, breeders and owners. It will be invaluable for those taking the City

and Guilds 775 Grooming exam and animal care students of all levels. Step by step grooming/clipping techniques are described for the more popular breeds of dog and cat and in each case the technique is illustrated with photographic sequences. The book also includes allied subjects such as skin care, commonly found skin parasites and basic first aid and handling.

Understanding Reading Frank Smith,2004-05-20 Understanding Reading revolutionized reading research and theory when the first edition appeared in 1971 and continues to be a leader in the field. In the sixth edition of this classic text, Smith's purpose remains the same: to shed light on fundamental aspects of the complex human act of reading--linguistic, physiological, psychological, and social--and on what is involved in learning to read. The text critically examines current theories, instructional practices, and controversies, covering a wide range of disciplines but always remaining accessible to students and classroom teachers. Careful attention is given to the ideological clash that continues between whole language and direct instruction and currently permeates every aspect of theory and research into reading and reading instruction. To aid readers in making up their own minds, each chapter concludes with a brief statement of Issues. Understanding Reading: A Psycholinguistic Analysis of Reading and Learning to Read, Sixth Edition is designed to serve as a handbook for language arts teachers, a college text for basic courses on the psychology of reading, a guide to relevant research on reading, and an introduction to reading as an aspect of thinking and learning. It is matchless in integrating a wide range of topics relative to reading while, at the same time, being highly readable and user-friendly for instructors, students, and practitioners.

Snowden Sights, Wildfowler Sidney H. Smith, 2011-03 Originally published in 1912. Snowden Sights was better known as *The Last of the Yorkshire Wildfowlers*. This well illustrated book contains many fascinating reminiscences of his life: The Derwent Valley - Punts and Punt Shooting - Guns, Dress and Dogs - Wildfowl and Wildfowling - Punt Gun Shots - Flight Shooting - Flight Netting - Decoys - Salmon and Eel Netting - Lamprey Netting - Eel Trapping - Birds of the Derwent Valley, etc. Many of the earliest field sports books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. The Flat-Coated Retriever Today Joan Mason, 1996 The Flat-Coated Retriever -- one of the most valued of the retriever breeds -- combines a friendly, extroverted character with tireless enthusiasm for work in the field.
