Escape from the Bedside Sharon Baltman,2013-11 In 1964 they said she could never be a doctor because of her long painted fingernails, her big breasts and the 'Three M's: Marriage, Motherhood and Medicine'. *Escape From The Bedside* is Sharon Baltman's gripping memoir tracking her decision to become a doctor in the early days of feminism to her travels across Canada, the US, through Africa and Israel. She chooses NOT to be like her traditional childhood family doctor but obsessively pursues the need to listen closely to her patients, a discipline later known as Narrative Medicine. Baltman writes with verve and wit... tackles challenging medical situations and personal tragedy and loss. All with sheer guts and determination. A fascinating read. Maureen Jennings, author of the Murdoch and Tom Tyler mysteries Sharon turns the doctor's light on her own dark corners... a woman who pursues a dream, then tops her own ambition in mid-life. A lesson in living... a deliciously good tale. Marianne Ackerman, author of *Piers' Desire* ...everything you really don't want to know about medicine, but are too fascinated to stop reading... Marilyn Herbert, Director of Bookclub-in-a-Box The candid writing is clear and fluid... a sharp intelligence at work. Isabel Huggan, author of *Belonging: Home Away From Home*

John Berryman John Haffenden, 1980-05-15 The poetry of John Berryman occupies an incomparable place in modern American literature. This study traces the composition of the major poems, and interprets Berryman's characteristic trials and his imaginative triumphs. In *Homage to Mistress Bradstreet*, which Edmund Wilson called 'the most distinguished long poem by an American since *The Waste Land*', Berryman set himself enormous problems of theme and form, and overcame them with the vigorous and exciting craft that is described in this book. He transformed his personal concerns and historical interests into a fully achieved artistic unity, a poem which succeeds both as lyric and as drama. Similarly, in forging the thirteen-year 'epic' of *The Dream Songs*, 'the tragical history of Henry', as the poet himself called it, Berryman resolutely confronted chosen models such as Don Quixote and *The Iliad*, and eventually realised his own design and a unique poetic voice. 'I set up the *Bradstreet* poem as an attack on *The Waste Land*' Berryman said in his National Book Award Acceptance Speech; 'I set up *The Dream Songs* as hostile to every visible tendency in both American and English poetry...The aim was the same in both poems: the reproduction or invention of the motions of a human personality, free and determined, in one case feminine, in the other masculine.' A chief feature of this study is the remarkably extensive use John Haffenden has made of primary research materials - manuscript drafts, notes, marginalia, diary entries and letters, all of which are printed here for the first time - to illuminate and explain the poems. This book is both a critical analysis of Berryman's mature works and an internal narrative of the poet's struggles and success. It includes comprehensive notes and commentary on *The Dream Songs* and on *Delusions, Etc.*, as well as an authoritative discussion and assessment of *Love & Fame*.

Samuel Beckett Lawrence Graver, Raymond Federman, 1997 Samuel Beckett (1906-1989). Irish dramatist and poet. His use of the stage and dramatic narrative and symbolism has revolutionized drama in England.

A Concordance to Conrad's Heart of Darkness Todd K. Bender, 2020-04-27 Originally published in 1979, this concordance to *Heart of Darkness* is intended for use by the general student of Conrad who wants to determine the exact denotation and connotation of Conrad's vocabulary, or the patterns of imagery in his work, quickly and effortlessly. It prints under each word every logical context in which it occurs. This volume is part of a series

which produced verbal indexes, concordances, and related data for all of Conrad's works.

The Transformations of Godot Frederick Busi, 2021-10-21 Didi, Gogo, Pozzo, Lucky—the bizarre names stand out strangely against the bare-bones landscape of *Waiting for Godot*. In an intriguing new study of one of the most haunting plays of this century, Frederick Busi shows that these names serve important dramatic functions, reinforcing the changing roles assumed by the mysterious characters in their tortuous search for—and avoidance of—self. Busi also explores Beckett's convoluted literary relationship with James Joyce, especially as revealed in the plays-within-the-play and verbal jigh jinks of *Finnegan's Wake*, where, as in *Godot*, the same characters keep dreamily encountering themselves in different disguises, under shifting names. Beckett's strong affinities with Cervantes and the common debt of these two authors to the traditions of *commedia dell'arte* lead Busi to important insights into the shifting master-slave relationship so prominent in *Godot*, as in *Don Quixote*. The religious implications of *Godot*—the subject of so much critical debate—are placed in a new perspective by Busi's provocative observation that certain early Christian heretical works and certain books of the Apocrypha contain not only the idea of the Devil/God, Judas/Jesus identifications implied in *Godot* but also a number of names that Beckett seems to have had in mind when he wrote his play. Rich in linguistic, historical, and psychological learning, Busi's examination of the names in *Godot* leads the reader to a fuller awareness of Beckett's extraordinarily complex imagination. As Wylie Sypher writes in the foreword, the book is an invitation to expand our reading of Beckett in many directions.

The Novels of Julio Cortazar Steven Boldy, 1980-11-06 This 1980 book is a clear and detailed study of Julio Cortázar's four major novels.

The Life of John Berryman John Haffenden, 2022-01-30 First published in 1982, *The Life of John Berryman* draws on extensive research in the USA and on an enormous collection of hitherto unpublished materials – journals, letters, stories and poetry – to build a biography that recounts in absorbing detail the public and private stages of John Berryman's career. It also offers an intimate portrait of a creative artist: his compulsive self-presentation and self-reproach, his moral and artistic dilemmas, his dedication and his accomplishments. John Berryman occupies a central place among the outstanding poets of recent times. The course of his life ran between the extremes of personal degradation and artistic ecstasy. He suffered the early suicide of his father, the dominance of his mother, poverty and professional setbacks, psychiatric treatment, alcoholism, and sexual and spiritual vexation. He became an electrifying, fearful teacher and a loving, jealous friend. His mentors and close associates included Mark Van Doren, Richard Blackmur, Allen Tate, Robert Lowell and Saul Bellow. The years brought him spells of deep personal joy and artistic fulfilment, but all too heavy a hand of terrible suffering. The book will be an extremely interesting read for students of literature.

Houseboat Days John Ashbery, 2014-09-09 Is poetry the act of putting something together, or the art of taking something apart? *Houseboat Days*, one of John Ashbery's most celebrated collections, offers its own answer. Remarkable for its introspection and for the response it elicited when it was first published in 1977, *Houseboat Days* is Ashbery's much-discussed follow-up to his 1975 masterpiece *Self-Portrait in a Convex Mirror*, and remains one of his most studied books to date. *Houseboat Days* begins with the moving, unforgettable poem "Street Musicians," an allegory of artistic and personal loss that came ten years after the death of Ashbery's friend and fellow New York poet Frank O'Hara. But while many of the poems in *Houseboat Days* are strikingly personal, especially when compared to Ashbery's work from the 1950s and 1960s, the collection is less about the poet than about the act of writing poetry. In such widely anthologized poems as "Wet Casements,"

"Syringa," "And Ut Pictura Poesis Is Her Name," and "What Is Poetry," Ashbery embraces the challenge of his own *ars poetica*, exploring and exploding the trusses, foundations, and underground caverns that underlie the creative act, and specifically, the act of creating a poem. Marjorie Perloff of the Washington Post Book World called *Houseboat Days* "the most exciting, most original book of poems to have appeared in the 1970s."

King Coffin Conrad Aiken, 1935 Story about the twisted mind of a man who goes insane.

J M Barrie and the Lost Boys Andrew Birkin, 2003-07-11 This literary biography is "a story of obsession and the search for pure childhood . . . Moving, charming, a revelation" (Los Angeles Times). J. M. Barrie, Victorian novelist, playwright, and author of *Peter Pan, or The Boy Who Wouldn't Grow Up*, led a life almost as interesting as his famous creation. Childless in his marriage, Barrie grew close to the five young boys of the Davies family, ultimately becoming their guardian and surrogate father when they were orphaned. Andrew Birkin draws extensively on a vast range of material by and about Barrie, including notebooks, memoirs, and hours of recorded interviews with the family and their circle, to describe Barrie's life, the tragedies that shaped him, and the wonderful world of imagination he created for the boys. Updated with a new preface and including photos and illustrations, this "absolutely gripping" read reveals the dramatic story behind one of the classics of children's literature (Evening Standard). "A psychological thriller . . . One of the year's most complex and absorbing biographies." -Time "[A] fascinating story." -The Washington Post
